Elizabeth L. Gleicher  
Judges

The Court orders that the motion for immediate consideration is GRANTED.

The Court further orders that the motion to transcribe oral argument is GRANTED according to the following terms:

1. The Clerk's Office will arrange a time during which the audio recording of oral argument will be played and this time will be communicated in a notice that is sent to all parties with this order.
2. Individuals having notice of this motion and this order will be permitted to attend and take notes.
3. Second-generation audio recordings will *not* be made during the playing of the original audio recording of oral argument.
4. A transcript of the oral argument is *not* prepared by the Court for internal use, and a transcript will *not* be provided or certified by the Court for external use. However, the parties may each secure a transcript by engaging the services of a court reporter to attend the playing of the audio recording for the purpose of creating a transcript.
